#### ***Attire:***

Proper swimming costumes must be worn in the pool (no street clothes). No streamers, body paint or hair dye/spray/paint of any form allowed on-site. These products can cause issues with the Centres cleaning system. Band-aids must not be used in the pool unless prior authorisation from GCPC staff is received as they can cause blockages in the pool system. Swimming caps are recommended but not required.

### **3. First Aid**

GCPC have First Aid qualified staff on-site to attend any first aid issues or emergencies. During events, the venue hirer is responsible for the provision of a qualified first aid attendant. In an emergency situation contact the GCPC Duty Manager. Any individual that sustains a bleeding injury shall move or be removed from the water as soon as possible. Any blood or body fluid spills in the Aquatics area must be reported to GCPC staff to allow cleaning. Severely (fresh) blood contaminated clothing is not to be worn in the pool.

**Ice is available for emergency First Aid only. Please contact GCPC Duty Manager if required.**

### **4. Pool Lifeguard and Supervision**

It is the Hirer's responsibility to supervise students/athletes/guests related to the booking at all times with pool qualified staff. GCPC have designated Pool Lifeguards rostered during peak swimming periods and an onsite roaming Pool Lifeguard during off peak periods. If Hirer requires a Pool Lifeguard to supervise booking or event GCPC can organise Pool Lifeguards accordingly at an extra charge (Please NOTE: GCPC would require at least 7 days' notice prior to booking to organise a Pool Lifeguard).

### **5. Inflatables**

Inflatables are not permitted in the Aquatic Centre.

### **6. Change Rooms**

Poolside change rooms are available under the Pool Mezzanine area and should be booked if required for an event. Please notify GCPC if your event or booking will produce over 1000 participants and/or spectators as there may be additional charges. Should extra facilities be required due to the size of the event staged the Hirer shall be responsible for additional equipment, including supply and removal of the portable toilets if required. Please ensure change rooms are left clean and tidy after use. No property or items should be left in the change rooms or on-site unattended at GCPC. The Centre is not liable for any missing or damaged equipment, valuables or belongings stored on site at GCPC.

### **7. Entry and Parking Guidelines**

No entry gate fee will be charged for standard events or competitions. GCPC reserves the right to charge a gate fee for major events. Access into GCPC shall only be via the designated entry gate(s). The Duty Manager will touch base with the relevant organisations main contact if there are any variations in access points or parking locations. Paying casual pool users and pool members access the Aquatic Centre via the Front Reception.

*Aquatics Centre Access*

Teams attending an Aquatics event must enter via the Western Carpark and follow the pedestrian path across the Athletics Stadium to Aquatics Centre. As Teams or individuals leave the Aquatics Centre areas they are requested to ensure that the pool deck, change rooms, pool mezzanine and grandstand areas are left in a clean and tidy condition.

#### *Team and Official Lists*

Every booking must provide details of team members and officials attending events at GCPC. This list must be sent via email to relevant booking contact or Duty Manager at least 2 days prior to booked session. The main contact must touch base with the Duty Manager on arrival. The team and officials who are named on the contact list do not need to sign-in on arrival.

#### *Visitors and Spectator Access*

All visitors and spectators must sign in at Front Reception (unless advised of a designated event sign in area). Visitors and spectators are not permitted to any other areas of the GCPC except the Aquatics Centre.

#### *Parking*

Parking is located at the Western Carpark for events (please see map for parking location). The Duty Manager will advise prior to arrival if there are any changes in parking locations. Players, officials and spectators can access the Aquatics Centre by following the path outlined on the map from the Western Carpark. Once this carpark is at capacity all spectators and participants must use the adjacent council carparks.

### **8. Pool Lane and Recovery Spa/Ice Bath Hire**

Timing of trainings and events are the responsibility of the hirer. The GCPC Duty Manager will be on-site to monitor scheduled timings are adhered to according to booking schedule. Guests using the pool lanes or Recovery Spa/Ice Baths must make sure they are clean and removed any grass, sweat or debris by utilising the Aquatic Centre showers. Excess grass and debris in the pools or Recovery Spa/Ice Baths can have a detrimental effect on the functioning of the cleaning and motor unit so please make sure all guests are clean before using. If you have a spa/ice bath recovery session booked, please let the Duty Manager or Pool Lifeguard know on arrival so that they can provide access to the spa/ice bath recovery area.

### **9. Underwater Viewing Deck**

The Aquatic Centre has an underwater viewing deck on the south eastern side of the 50m pool. Bookings and extra charges are applicable to access this area. Sufficient notice is required if you would like to book this area.

### **10. Scuba and Free Diving Bookings**

Scuba and Free Diving groups must adhere to specific regulations regarding equipment modifications and supervision requirements please enquire for full details

### **11. Water Polo Bookings**

Water Polo groups must adhere to specific conditions of use, please enquire for full details

### **12. Gates/Fences**

Participants training or competing must enter and leave the Aquatics Centre at official entry points only. Gates must not be propped or held open to ensure safety of all guests. If the 50m pool/track gate or event gate must be open during the event, the Hirer must organise an adult to supervise, monitor and control access through either of these gates. This is to reduce the risk of anyone entering 50m pool area who are not permitted. There is to be no admittance or access to relevant gates until the booked hire period commences. The GCPC Duty Supervisor will open the relevant gates once the booked hire period commences.

### 13. Training & Competitions

Training and Competition activities to be contained within allocated lanes ensuring patrons in other lanes are not impacted. Hirer to ensure any gear and training equipment brought onsite is taken away at end of booking.

### 14. Event Information

#### *Arrival, Set Up and Pack Down*

On arrival the event set up staff will enter through the western carpark. Event set up staff can call the Duty Manager phone number to gain access through the boom gate if heavy set up equipment is required. Vehicles are not permitted to drive on grassed areas, the track or the main field and must keep to the service road. Staff can unload vehicles in the alley way at the northern end of the athletics track and access the 50m Pool through side gate to the pool. Once equipment has been unloaded all vehicles must be moved to the western carpark to ensure that the service road remains clear, and can gain access through the boom gate again once the event has concluded for pack down.

Gold Coast Performance Centre facilitates an extensive deep water exercise class program. These programs may be taking place during the time in which schools are setting up for Swim Carnivals. We ask all staff setting up to respect the space of the deep water exercise class throughout this short period of the morning by being mindful and not walking in front of the DWEX instructor when moving around pool deck.

PA system is provided by Gold Coast Performance Centre. The Sennheizer Microphone will be connected at the conclusion of the deep water exercise program and available for the announcers to coordinate the day. At the end of the event the Microphone is required to be handed back to either the pool life guard or GCPC Track, Field and Event Coordinator. Music can be plugged in to the PA system through an AUX cord. It is the group's responsibility to provide a portable device and Music for the event. At no stage are staff, students or guests to sit in the pool office to operate music. A table and chairs can be provided for staff, or students to operate the music system from the window of the pool office.

#### *Marquee Set Up*

Please ensure all marquees are adequately weighed down. It is recommended that approximately 20kg be secured to each support pole for a 3m x 3m marquee and 30kg be placed on each support pole for a 3m x 6m marquee. It is the responsibility of the Hirer to ensure all marquees are secured appropriately for the safety of all guests. NO pegs are permitted to be used near hockey pitch.

It is the Gold Coast Performance Centre policy that all marquee structures be taken down when wind speeds are approaching 32km/hour. Centre staff will notify the event organiser and support the take down process when available.

### 15. Cancellation

Cancellations must be in writing and forwarded to [goldcoast\\_bookings@runawaybaysportlec.eq.edu.au](mailto:goldcoast_bookings@runawaybaysportlec.eq.edu.au). Please see [Terms and Conditions](#) regarding cancellation policy.

### 16. Lighting

Lighting will be set if required for evening training or events.

### 17. Lost Property

All lost property will be held at GCPC Front Reception area. Property left for more than 30 days will be either destroyed or forwarded to an appropriate charity.

## **18. PA System**

A PA system is available if required by the hirer as an extra charge. Prior arrangements for the use of the PA system must be made at the time of booking with GCPC. Hirer to ensure sound systems are kept within Council approved decibel levels during events. The hirer must take responsibility for any damages to the PA system while in use for their booking.

## **19. Inclement Weather Procedures**

The GCPC Duty Managers are responsible for cancelling events and/or training should the area become unsafe. The Aquatics Centre will be immediately closed by lightning (variously) when detected within a 10km radius. The GCPC Duty Managers will keep organisations up to date on any cancellations if required.

## **20. Smoking / Consumption of Alcohol**

Smoking is not permitted within the Centre (including all buildings and grounds). Alcohol may not be brought into or consumed in any areas of the Centre, including all buildings and grounds. Should anyone breach these codes of conduct, GCPC Staff reserve the right to ask attendees to leave the premises.

## **21. Evacuation Procedures**
