STRETCH & MEDITATION

Meditation and mindfulness enables us to simply be present with our life. You will learn different meditation techniques which will help us with life's challenges. Combining gentle exercise and stretching which will leave you feeling relaxed and calm.

LES MILLS STRENGTH DEVELOPMENT

Progressive strength training, meaning each workout focuses on a specific training protocol for building strength over each workout. This ranges from Foundational Strength, to Hypertrophy, to Pure Strength. The music is there to provide great workout tracks but there's no requirement to move to the beat. Instead, optimum results are achieved through the use of time under tension and rep-ranges, depending on the sessions requirements.

TRX+

Circuit training utilising the TRX in combination with bodyweight strength and Pilates based exercise.

YOGA

Relieve stress and improve flexibility, strength, balance, posture and circulation. Learn to connect the body and mind through breathing. Please bring your own mat.

ZUMBA

High and low intensity moves for an interval style, calorie burning dance fitness party. Exercise in disguise!!

ZUMBA GOLD

For active older adults who are looking for a modified Zumba class that recreates the original moves you love at a lower-intensity.
